Re: Handshoe v Broussard et al  
Case Number 13CV251

Dear Sirs:

Yesterday I received by email and today by US mail a Motion for protective order and Memorandum prepared in the above captioned case. In checking PACER this morning I saw that Magistrate Walker granted a similar motion in the case before Judge Ozerden styled Handshoe v John Doe(s) aka Randall Cajun, also removed by defendants Leary, Perret and Abel to the United States District Court.

Please note that the discovery and request for admissions I sent related only to the motions before this court, specifically as it related to diversity jurisdiction which I intend to challenge. Defendants made certain assertions regarding the calculation of damages that I am entitled to know under the rules of civil procedure as I have made no representations as to the amount that will ultimately be sought and in fact I aver my damages are under \$75,000.

I respectfully request that this honorable Court defer any rulings on defendant Leary, Perret and Trout Point Lodge's Motion for Protective Order until such time as I have had the chance to respond, as defendants are disingenuous in their motion and mischaracterize the discovery I requested as limited by Magistrate Roper's early order on discovery in this case.

Finally I would like to bring it to the court attention that defendant Abel has not served upon me his Memorandum in Support of his Motion to Dismiss, which I only know about because it was submitted three days late, on the day I tried to file with the Court Clerk a Clerk's Entry for default on defendant Abel, which they would not accept due to the fact his filing has evidently just arrived at the courthouse via courier service. I am not faulting the clerk but I am entitled to service on all defendant legal filings and with defendant Abel such is not the case.

Judge Louis Guirola  
Magistrate John Roper

I apologize in advance for the lack of formality in this pleading. I am a Pro Se Plaintiff that, in light of Magistrate Walker's order of today that was issued before I could respond to yesterday's Motion for Protective order I feel compelled to bring this to your honorable Court's attention in an expeditious manner.

Thank you for your consideration.

Sincerely,

Douglas Handshoe
